Important Information and Resources

You must fulfill the degree requirements for the year you entered your current program. This Advising Worksheet is meant for students who began the Computational Arts & Technology Honours Minor in Fall/Winter 2022-2023.

~ In a major/minor program, a course may count only once toward major credit or minor credit.

Residency Requirement: A minimum of 30.0 course credits and at least 50% of the course credits required in each undergraduate degree program (major and/or minor) must be taken at York University.

PLEASE NOTE: This manual Advising Worksheet is a guide designed to help students understand their degree requirements and to assist with course selection. It does not serve as an official confirmation of a student's eligibility to graduate. The Registrar's Office will officially determine satisfaction of all degree requirements upon the submission of a graduation application.
